We had a summer
that we will
never forget!

DISCOVERY YOUTH FOUNDATION

What an exciting year for DYF!!

The theme for DYF's ninth year of existence was "STRETCH". Students were challenged to stretch their minds, efforts, and expectations to reach rewarding goals. In five weeks students were exposed to soo... much; Millionaire Homes, Millionaire Entrepreneurs (Don Griffin, John Tillman Jr.), U.S. Federal Reserve Bank, Prairie View A&M School of Engineering, LaWilliams Law Firm, the F.B.I., GoEngineering Co., Simply Smiles Dentistry, University of Texas Austin, Huston-Tillotson University, the Garden of Eden Community Project, and more. Students also added 15 new "stretch words" to their vocabulary. Unforgettable Summer!

Mission Statement

Discovery Youth Foundation was founded by passionate parents and lovers of young people who have a genuine desire to guide teenagers through a critical time of their lives. We simply want to give teenagers the best opportunity to succeed. In a Christian environment, we motivate students to DISCOVER and DEVELOP their God-Given talents, igniting a passion for achievement and self improvement. We offer a five week eye-opening Summer Enrichment Program and year-round mentorship. Our program introduces students to exciting careers, entrepreneurship, community involvement, and life management skills.
